## **Grand Knight's Message:**

Brother Knights,

I would like to thank all who have helped pick corn this year. We did not have a bumper harvest but it was still a success. Those of you who were not able to physically help thank you for your prayerful support.

Our fall festival is this coming Saturday August 16. Your help is needed in many areas. Please come to help set up Friday evening and help Saturday during the different events going on all day.

Please remember that rosary is offered before each mass on Saturday and Sunday. It would be great to have a strong showing of Knights and their families saying this wonderful prayer to our Lord and our Blessed Mother Mary.

I have started to send out text messages to try and let everyone know when and where your help is needed. If you have not been receiving any texts and would like to be included or removed from the message list, please let me know.

Yours in Christ,  
James Moore

## **Message from the District Deputy**

This is the 25th year the Knights of Columbus has supported the annual Special Olympics Bowling Tournament. Thousands of Special Olympic athletes will be competing at 7 different bowling venues across the state the weekend of November 9th through the 12th. Brooklyn Park is the nearest location to us so please go to [www.somn.org/kofc](http://www.somn.org/kofc) before September 19th and volunteer. You don't need to know how to bowl, they're already much better bowlers than we are. We just need to you keep the athletes bowling in order or direct them to their next location.

### **Message From The Chaplain**

Dear Brother Knight,

When Charles Swindoll was a young boy, he was greatly influenced by this remark of an old Texan: “The problem with Christian life is that it’s so daily.”

It’s true. Following Jesus is a lifestyle that builds on past lessons and decisions, but it also depends on our dedication day-by-day. We cannot live off yesterday’s successes, last week’s prayers or the Bible stories we heard when we were children.

Even new day is both a challenge and an opportunity. Our faith will be challenged and we can use that challenge as an opportunity to grow in our relationship with God. Jesus Himself said that those who wanted to be his disciples were expected to be in a continual attitude of self-denial and obedience to Him. Here’s how the Lord put it: “If anyone desires to come after Me, let him deny himself and take up his cross daily and follow Me (Luke 9:23)

As each day unfolds, we must stop and remind ourselves that this is a day dedicated to God, that it is to be used for His glory and that it is best lived with a continual recollection of what Jesus did for us on the cross. Starting today, let us look at life that way. It’s a daily commitment.

The Christian life is more than just prayer of faith made in the past; it’s dedicating every day to live for Christ and what will last.

Dedication to Christ is not just a one-time choice. It is a daily challenge.

Have a good month,  
Fr. Virg

### **Insurance Corner: Larry Callahan**

The Value of Life Insurance for Children As a father, you worry about your children and do everything you can to protect them. You try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance for your child? When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus with a guaranteed purchase option, it guarantees that more insurance can be purchased for that child at certain set dates, without proving insurability. Unfortunately, as fathers we don’t have a crystal ball, and we don’t know what the future may have in store for our children’s health. But did you know that right now you can purchase a child’s policy, in many cases, for less than \$10 a month? I’ve heard it said that people don’t want to “profit” from the death of a child, so they won’t purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent’s mind. I have never heard a story about someone who regretted buying coverage on their child. Contact me today to discuss the many policy options for child plans, including 10- and 20-Pay life insurance.
